Re: Defense Plant Corporation

Gentlemen:

Confirming our telephone conversation with Mr. Pedigrew, Paragraph 2 in our letter of November 26, 1954 is amended by relating only to such public utility easements, if any, as may now exist in said portions of Knox, Rosemead and Francisco Streets and Vermont Avenue, which are within the area of the plant facilities.

I am ordering an inspection today as to the existence of the easements referred to in Paragraph 1 of said letter and will advise you as to our findings.

Very truly yours,

*E. W. Hippe*  
E. W. Hippe  
Title Officer.
